SW312 Sound Cruiser

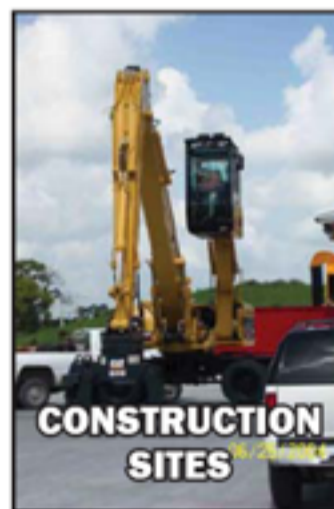

Weather Resistant Portable Sound Systems - put on top of your car, golf cart, boat, tractor or construction vehicle!

- Speaker assembly easily mounts with non-marring suction cups and gutter hooks.
- Swivel mounts allow 360° rotation, as well as up/down aiming, so you can quickly configure for optimum coverage. System tailored for maximum voice penetration and intelligibility.
- Reach crowds up to 3,000 people and cover the length of a football field!

SW314 Quad Sound Cruiser

- Features include the same powerful S805A sound system as the Half-Mile Hailer. Plug into your car's cigarette lighter, direct-wire the unit to your 12-volt car battery or use internal D-cell battery pack. (Sold separately)
- Weather resistant system - universal 2 or 4 horn speaker module mounts to any vehicle and easily adjusts for front - side - rear projection.
- Power rating: 60-watts, impedance: 4 ohms, volume: up to 119 db.

SOUND CRUISER Twin horns with car-top mounting assembly: non-marring vacuum cups and gutter hooks. S805A 50-watt multimedia stereo amplifier, S2080 cardioid dynamic handheld mic with 5-ft coil cord; DC car adapter and cables included.

WIRELESS SOUND CRUISER With SW805A Amplifier with Built-in Wireless Receiver & DC car adapter & cables with wireless headset & lapel mics and transmitter.
